

How to Scale Demand Gen and Increase Resource Efficiency.

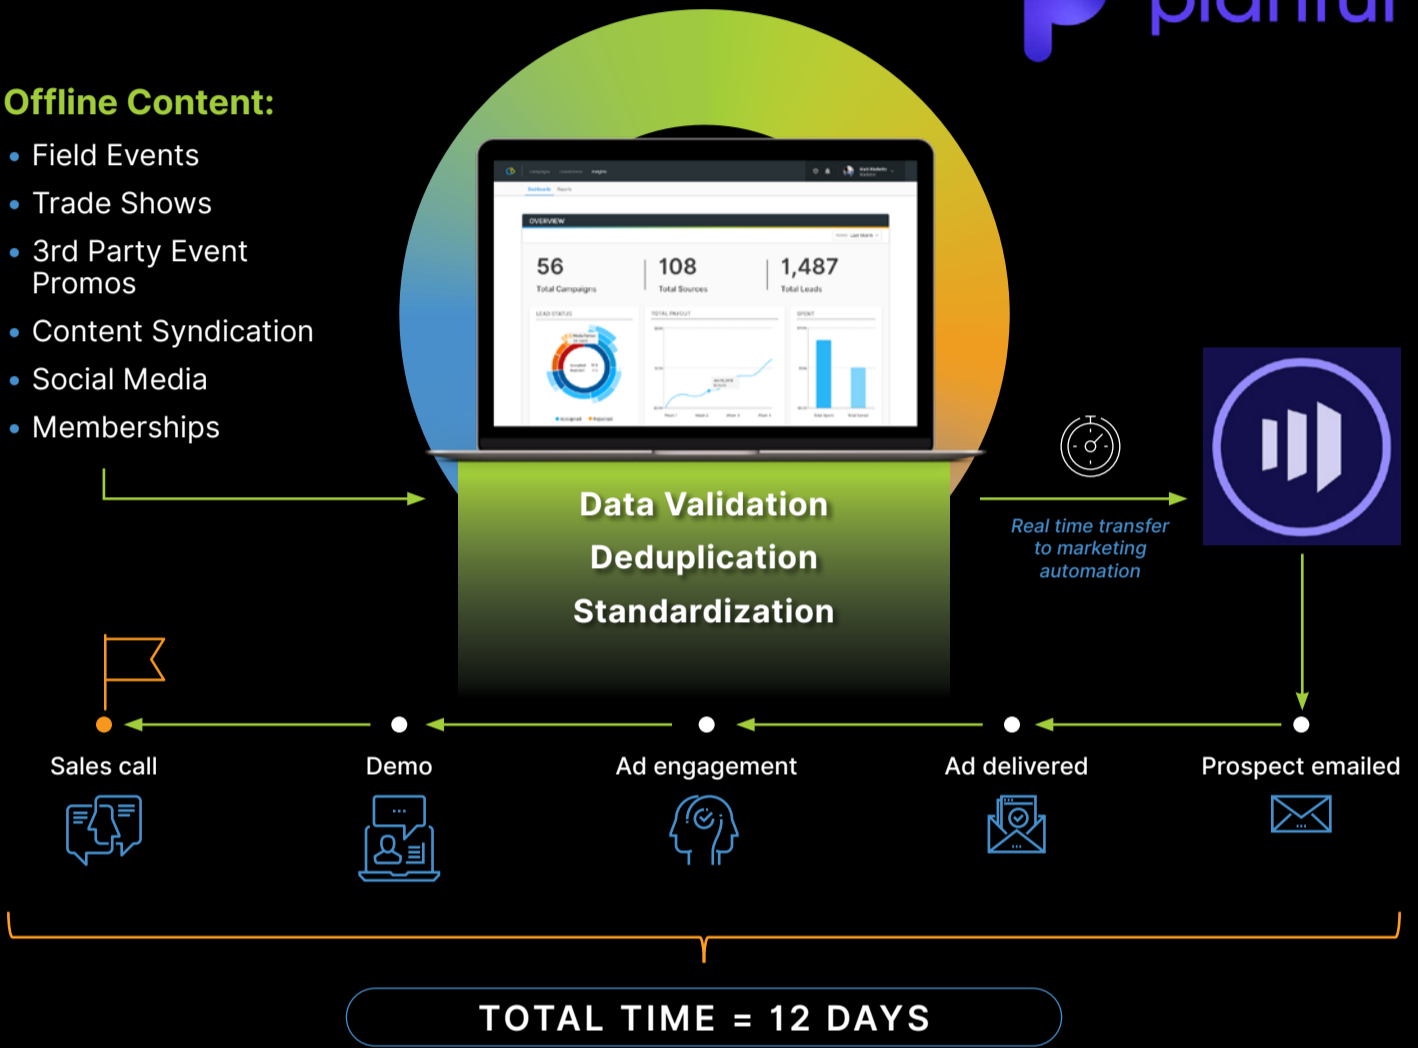

Lead Acceleration

Offline Content:

- Field Events
- Trade Shows
- 3rd Party Event Promos
- Content Syndication
- Social Media
- Memberships

planful results.

<p>18% ↑ Increase Email open rate</p>	<p>42% ↑ Increase Pipeline value</p>	<p>50% ↓ Decrease Length of sales cycle</p>
<p>25% ↑ Increase Click engagement</p>	<p>25% ↑ Increase Same quarter lead to deal conversion</p>	<p>10 Hrs. Saved Monthly Replacing manual processes</p>

“We had a mission to automate all offline programs. Between events, content syndication, paid social media, webinars, and review sites, manual processing of list information was a significant drain on resources. With Integrate, all programs run through a single platform, eliminating lists and manual tasks to manage data quality. There is no waiting for batch lead delivery, and team members are happy. The results speak for themselves.”
